01 Introduction

Inquisitors Society is a student-run society at the University of Engineering and Technology (UET), Lahore, focused on technical excellence, professional development, leadership, and community engagement. The society organizes educational, technical, career-development, leadership, and community-oriented activities.

The chatbot Knowledge Base contains organized information about the society, its activities, learning opportunities, internships, memberships, events, career development, community activities, contact information, and frequently asked questions.

02 Society Activities

Inquisitors Society organizes and supports a range of activities, including:

- Technical Events
- Workshops
- Conferences
- Seminars
- Competitions
- Industrial Tours
- Research Activities
- Career Development Programs
- Leadership Activities
- CSS Sessions
- IELTS Sessions
- Mock Interviews
- Weekly Discussions
- Book Fairs
- Community Activities

These activities aim to provide students with opportunities for learning, professional development, networking, leadership, and community engagement.

03 Platform Users

The platform is designed to support several types of users:

Students

Can access courses, participate in events, apply for internships, build portfolios, and participate in community discussions.

Teachers / Faculty

Can manage courses, conduct virtual classes, and evaluate student work.

Mentors

Can guide students, evaluate internship applications, and provide feedback.

Companies

Can post internships, review applications, and manage recruitment activities.

Administrators

Manage users, content, platform operations, and analytics.

04 Learning & Courses

The platform includes learning and educational features such as:

- Professional courses
- Lessons and modules
- Assignments
- Quizzes
- Progress tracking
- Virtual classrooms
- Course certificates

Course Rules

- Students can enroll in a maximum of 5 courses per semester.
- Prerequisite courses must be completed before enrolling in advanced courses.
- Course completion requires a minimum 60% score in quizzes and assignments.
- Paid courses require payment before access.
- Refunds for paid courses are allowed within 7 days of enrollment, provided no lessons have been accessed.
- Course certificates are issued after full completion.
- 80% attendance is required for certificate eligibility.

05 Certificates

The platform supports digital certificates. Certificate-related rules include:

- Digital certificates remain valid unless revoked.
- Certificates contain unique QR codes for verification.
- Certificate templates require administrative approval.
- Certificates cannot be altered or forged.
- Duplicate certificates can be requested subject to a fee.

06 Membership

Membership Eligibility

- Students of UET Lahore and affiliated institutions are eligible for free membership.
- External members may be required to pay a nominal registration fee determined by the society.
- Membership is renewed annually at the beginning of the academic year.
- Members must agree to the society's code of conduct.
- A valid university email is required for verification.
- Alumni members may have limited access to certain features.
- Members are required to complete their profile within 7 days of registration.

Current information not available: current membership registration link, current external-member fee, detailed current membership benefits, and exact current membership application procedure. The chatbot should not invent these details.

07 Internships (General Rules)

- Only registered companies can post internships.
- Internships require administrative approval before publication.
- Students can apply to a maximum of 5 internships per month.
- Internship duration is specified as 4 weeks to 6 months.
- Interns must submit weekly progress reports.
- Internship completion requires mentor evaluation and company feedback.
- Successful interns receive completion certificates from the company.

08 INQUISITORS Society Internship Program 2026

Program Type

- Virtual Internship Program
- Hybrid Internship Program

Eligibility

Open to students from all universities and disciplines (per program announcement).

Program Focus

- Artificial Intelligence
- AI tools
- AI workflows and automation
- Web development
- Graphic design
- Leadership
- Communication
- Professional and soft skills

09 AI Tools Covered

As listed on the 2026 internship poster:

- ChatGPT
- Claude AI
- Google Gemini
- Microsoft Copilot
- Perplexity AI
- Canva AI
- Gamma AI
- Notion AI
- ElevenLabs
- Lovable AI
- Bolt.new
- Cursor AI
- GitHub Copilot
- Midjourney and other AI image-generation tools

10 AI Workflows

- Prompt Engineering
- AI-Assisted Research
- Content Creation
- Graphic Design Workflows
- Website Development
- Automation
- Documentation
- Productivity Systems
- Data Analysis
- AI Collaboration Techniques

11 Technical Skills

- Website Development
- UI/UX Design
- Content Writing
- Graphic Designing
- Social Media Management
- Video Editing
- Research & Documentation
- Project Management

12 Soft Skills

- Leadership
- Communication
- Public Speaking
- Teamwork
- Critical Thinking
- Problem Solving
- Time Management
- Professional Ethics
- Creativity
- Adaptability
- Networking
- Interview Preparation

13 Internship Benefits

As advertised for the 2026 program:

- Hands-on project experience
- Industry mentorship
- Team collaboration
- Leadership opportunities
- Portfolio development
- Networking with professionals
- Experience Letter
- Recommendation Letter for top performers
- National and International Certifications
- AI tools training
- AI workflow development
- Resume & LinkedIn optimization
- Mock interviews
- Career guidance
- Team-based learning
- Flexible virtual and hybrid learning
- Community access

The LinkedIn posting for the 2026 program also confirms the virtual/hybrid format, broad student eligibility, hands-on projects, mentorship, portfolio development, experience letters, recommendations for top performers, and certifications.

14 Internship Certifications

- Inquisitors Society Internship Certificate
- National Skill Development Certificates
- International Professional Development Certificates
- AI & Emerging Technologies Certifications
- Leadership & Team Management Certifications
- Project Completion Certificates
- Digital Skills Certifications
- Soft Skills & Communication Certifications
- Workshop & Training Participation Certificates
- Outstanding Performance & Excellence Awards
- Letter of Recommendation for exceptional interns
- Internship Experience Letter

15 Internship Application

Application Page	www.inquisitorssociety.org/apply
Advertised Deadline	12 July 2026 — 11:59 PM (GMT)
Availability	Limited Seats Available (as stated on the poster)

Important current-status rule: because the advertised deadline was 12 July 2026, the chatbot should not currently state that this application is open without a new/current confirmation. Safe response: "The advertised application deadline was 12 July 2026. Please contact Inquisitors Society or check its current official channels for any updated intake or extension."

16 Events

The platform supports events such as:

- Seminars
- Workshops
- Hackathons
- Conferences
- Competitions
- Tours
- Book Fairs
- Leadership activities
- CSS sessions
- IELTS sessions

Event Rules

- Event registration closes 24 hours before the event starts.
- Paid event fees are non-refundable unless the event is cancelled.
- Participants must provide valid contact information.
- QR codes are valid for single entry.
- Participation certificates are issued only to registered attendees.
- Volunteers must complete required training before the event.
- Organizers must commit to the full event duration.

No current/upcoming event list was provided for this Knowledge Base. The chatbot must not invent event names, dates, venues, fees, or registration links.

17 Career Development

- Job Board
- Portfolio Building
- Career Resources
- Skill Assessment
- Career Guidance
- Professional Development

The career portal is designed to provide job opportunities, portfolio-building functionality, and career resources.

18 Community Activities

Inquisitors Society also supports community-oriented activities and discussions.

Community Guidelines

Users are expected to:

- Treat community members respectfully.
- Avoid spam and promotional content.
- Avoid harassment, discrimination, and hate speech.
- Report inappropriate content to moderators.
- Post original content or provide proper attribution.

Violations may lead to temporary or permanent account suspension, while repeated violations may result in a permanent ban.

19 Orphanage Outreach Program

Program Name	INQUISITORS SOCIETY ORPHANAGE OUTREACH
Purpose	Learning, games, mentorship, interaction, support, care, and creating meaningful experiences for children.
Planned Activities	Learning activities; games and fun activities; mentorship and interaction; support and care.
Registration	A Google Form registration link was provided in the official announcement shared with the team.
WhatsApp Group	A WhatsApp group link was also provided for participants.

20 Contact Information

Email	info@inquisitorssociety.org
Phone	+92 (309) 868-8664
Community	Global Community

Verification note: the phone number above is the number shown on the 2026 internship poster supplied for this project. An older UET event listing shows a different contact number, so for a production chatbot the phone number should be confirmed with the society before being treated as the single definitive contact number.

21 Social Media & Online Presence

WhatsApp Channel	Official WhatsApp Channel link provided by the team.
Facebook	facebook.com/INQUISITORSSOCIETY/
Instagram	instagram.com/inquisitorssociety/
LinkedIn	Active presence, including the 2026 internship program and 2026–27 hierarchy registration.

UET's official registered-societies page lists Inquisitors Society among its registered student societies for the 2025–2026 academic year, with Dr. Anna Niazi (Director Students Affairs) listed as advisor.

22 Frequently Asked Questions

General

Q: What is Inquisitors Society?

A: Inquisitors Society is a student-run society at UET Lahore focused on technical excellence, professional development, leadership, and community engagement.

Q: What activities does Inquisitors Society organize?

A: It organizes technical events, workshops, conferences, seminars, competitions, industrial tours, research activities, career programs, leadership activities, CSS and IELTS sessions, mock interviews, discussions, book fairs, and community activities.

Q: Who can use the platform?

A: The platform is designed for students, faculty, mentors, companies, and administrators.

Membership

Q: Who is eligible for free membership?

A: Students of UET Lahore and affiliated institutions are eligible for free membership.

Q: Is university email required?

A: Yes, a valid university email is required for verification.

Q: How often is membership renewed?

A: Membership is renewed annually at the beginning of the academic year.

Courses

Q: How many courses can a student enroll in per semester?

A: A maximum of 5 courses per semester.

Q: What score is required for course completion?

A: A minimum 60% score in quizzes and assignments is required.

Q: What attendance is required for certificate eligibility?

A: 80% attendance.

Internships

Q: How many internships can a student apply for per month?

A: Up to 5 internships per month.

Q: What is the specified internship duration?

A: Between 4 weeks and 6 months.

Q: Are weekly progress reports required?

A: Yes.

Q: What is required for internship completion?

A: Mentor evaluation and company feedback are required.

Q: Who could apply for the 2026 Internship Program?

A: Students from all universities and disciplines.

Q: Was the 2026 internship virtual or physical?

A: Both virtual and hybrid options were advertised.

Q: What did the 2026 internship teach?

A: AI tools, AI workflows and automation, technical skills, web development, graphic design, leadership, communication, and other professional skills.

Q: What benefits were advertised?

A: Hands-on projects, mentorship, portfolio development, networking, experience letters, recommendations for top performers, and certifications.

Events

Q: When does event registration close?

A: 24 hours before the event starts.

Q: Are paid event fees refundable?

A: They are non-refundable unless the event is cancelled.

Q: How is event attendance verified?

A: QR codes are used for event entry.

Contact

Q: What is the society's email?

A: info@inquisitorssociety.org

Q: What phone number is provided on the 2026 internship poster?

A: +92 (309) 868-8664.

Q: Where can I follow Inquisitors Society?

A: Through its WhatsApp Channel, Facebook, Instagram, LinkedIn, and other official social channels.

23 Chatbot Fallback Response

The chatbot must not invent an answer when verified information is unavailable. Recommended response:

"I'm sorry, but I don't have verified information about that at the moment. Please contact Inquisitors Society at info@inquisitorssociety.org or through its official social-media channels for assistance."

The project requirements specifically include fallback handling and a human-support/contact option.

24 Information the Chatbot Must Not Invent

- Current membership fees
- Membership registration links
- Current membership benefits
- Upcoming event dates
- Event fees
- Event venues
- Current internship deadlines
- Current internship availability
- Internship stipend
- Selection results
- Unannounced programs
- Unverified society services
- Unverified contact numbers

If information is unavailable, the chatbot should use the fallback response.

25 Knowledge Base Organization

For implementation, the information should be organized into these categories:

- 01. General Information
- 02. Society Activities
- 03. Platform Users
- 04. Courses & Learning
- 05. Certificates
- 06. Membership
- 07. Internships
- 08. Internship Program 2026
- 09. Events
- 10. Career Development
- 11. Community Activities

- 12. Orphanage Outreach
- 13. Contact Information
- 14. Social Media & Links
- 15. FAQs
- 16. Fallback & Support

26 Knowledge Base Data Format

Each piece of information should ideally be stored using the following fields:

Field	Description
Category	Main information category
Question	Possible user question
Answer	Approved chatbot answer
Source	Where the information came from
Status	Current / Provided / Platform-defined
Verification Date	Date information was checked
Notes	Additional limitations or details

This makes the Knowledge Base much easier for the RAG/backend team to use.

27 Final Member 2 Deliverable

Knowledge Base Manager — Completed Work

The Member 2 Knowledge Base now covers:

- ■ Society introduction
- ■ Society activities
- ■ Platform users
- ■ Courses and learning
- ■ Course rules
- ■ Certificates
- ■ Membership rules
- ■ Internship rules
- ■ Internship Program 2026
- ■ AI tools and workflows
- ■ Technical skills
- ■ Soft skills
- ■ Internship benefits
- ■ Certifications
- ■ Events and event rules
- ■ Career development
- ■ Community guidelines
- ■ Orphanage Outreach

- ■ Contact information
- ■ Social media presence
- ■ FAQs
- ■ Fallback responses
- ■ Missing-information handling
- ■ Knowledge Base structure
